Run-Down People Vinol is What You Need

Weak, run-down nervous men and women need Vinol because it contains the most famous reconstructive tonics in an agreeable and easily digested form:— Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates.

We guarantee there is no tonic equal to Vinol.

HERE IS PROOF

Detroit, Mich.

"I got into a weak, run-down condition, no appetite, tired all the time and headaches—but had to keep around and do my housework. I read about Vinol and tried it—within two weeks I commenced to improve, and now have a splendid appetite and feel stronger and better in every way."

Mrs. John F. Watson.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

Texas, Texas.

"I keep house and I was weak, run-down and nervous, back ached a good deal of the time, so it was hard to take care of my chickens and do my work—Vinol has restored my strength, and my nervousness has gone, so I can do my work as well as ever. Every run-down woman should take Vinol."

Mrs. Emma Britt.

AMERICA WILL DO HER PART IN FEEDING WORLD

Housewives Who Saved to Feed Our
Allies Now Must Save to Save
Whole World From
Starvation.

"The interallied council sat last summer planning those measures which meant victory in 1919 for the cause of freedom. Food was a vital factor."

"The United States of America by its representatives gave them this assurance:—

"Determine what you must have and how much the ships can carry."

"That will be your quota through the coming year. You need not consider how much America has more or less. We will send it; we have it or we will find it."

"America, which shipped last year 150,000,000 bushels of wheat where a surplus of only 10,000,000 could be reckoned, had given its pledge. The allies believe in us. They trust us as they trust the American soldiers. They have faith in the endurance of the American people for self-denial, as they have faith in the courage of the American Army in reserve or in battle."

"America will not fail them."

UNITED STATES FOOD ADMINISTRATION.

You know, you can't read that without a little thrill of satisfaction that things went that way. "Tell us what the Allies need. We will send it. Never mind us, we will send it."

"That's the way you want America to talk. You would feel humiliated and

shamed unless she talked exactly like that. But don't overlook the fact that there has to be more than talk. America is pledged, America has to make good. There has to be continued conservation on your part if that is to come to pass."

"America must send to the allies and the allies this year 50 per cent. more food than last year; three times the normal exports."

"America must rush supplies for 150,000,000 people, victims of Germany and the war, who are facing starvation unless help comes quickly."

"America must build up reserves to carry us over the harvest period and to protect us against the lean year that may come."

"The conservation program reduces to this: Every ounce of food of every sort that we manage to save will set free its proportion of essential food for the relief of those whose needs are greater than ours."

"The success of this program rests not alone on the honor and cooperation of the American people. Its success will be the highest proof of the faith and works of a democracy in America."

LOCAL SHOP WINDOWS TELL OF SANTA CLAUS' COMING

Maysville stores have always had first class window trimmings but during the holiday season special effort is put forth and just at the present time some of the most attractive window scenes here in years may be seen in the business district. The windows are especially attractive to the children.

LEAGUE OF NATIONS URGED BY PRELATE

Should Have Support of Moral Forces, He Says Pontiff Exerted All His Powers to Mitigate the Horrors of War.

New York, December 10.—A league of nations, supported not only by the governmental, but also by the moral forces of the world, was favored as a means of attaining peace in an address here yesterday by Monsignor Sigourney Fay, domestic prelate to the Pope. He declared that the greatest influence wielded by any individual in the coming international convocation would be exercised by President Wilson.

Speaking before the league of political education as a member of the Pope's official family but not, as he expressly stated, for the pontiff, Monsignor Fay declared that the head of the Catholic church had utilized all the power he possessed to mitigate the horrors of war. The Pope could not intervene between Lutheran Germany and Catholic Belgium, he said, but protested against outrages by "whomsoever committed" including protestant Germany and Catholic Austria. The pontiff, he stated, also made possible the diversion of large funds to the relief of Belgium sufferers.

In a review of Christianity, Monsignor Fay asserted that when various nations, after the reformation defied the Pope in the exercise of powers "granted by the people themselves," wars had continued for more than 400 years.

KENTUCKY HAD 738 WOMEN WAR WORKERS AT CAPITAL

Washington, December 10.—Kentucky has furnished 738 women war workers for governmental service at Washington during the year and a half of United States participation in the world war, it was learned at the Civil Service Commission today.

While it has not been possible to obtain exact figures concerning the number of these war workers, the commission estimates that at one time nearly 55,000 were employed in Washington.

These figures, of course, apply only to those women engaged in work that will immediately cease to be necessary now that hostilities have closed. New York sent the largest number such women war workers to the national capital, its total being 4,258, while Alaska furnished the smallest number, sending only three.

For our part, we would be willing to allow the influenza veteran to wear his handkerchief around his arm for a service stripe.

CIRCUIT COURT OPENS ON NEXT MONDAY

Everything is ready for the opening of the December term of the Mason Circuit Court on next Monday. There are few cases to be tried and it is thought that court will be in session for only a very short time. Judge Newell will relieve the jurors as soon as possible.

The Grand Jury meets on the same day but as far as is known now the jury will have little work to do and will finish their task in a very few days. There are very few hold over cases from the lower courts and no criminal case of any great importance to come up for trial.

WILL ENFORCE DOG LAW

The following letter from Commissioner of Agriculture Mat S. Cohen to County Clerk J. J. Owens, will explain itself:

County Clerk J. J. Owens, Dear Sir: Replying to yours of November 20, in which you ask in case a man should come to the office between the 5th and 10th of January and ask to have license issued him for his dog or dogs whether or not you should issue or refuse to do so by closing your books as required by the act of January 1, beg to advise that the law states specifically and emphatically that all dogs must be licensed on or before January 1, 1919, and after that date should any owner who has listed his dog, or who owns a dog asks to have same licensed, you should immediately swear a warrant for him for the violation of this act, or else notify the Sheriff with a written notice to the effect in order that the Sheriff may proceed to carry out the provision of this act.

I say to you frankly this law is put on the statute books to be enforced, and you may say to your people that it is going to be enforced regardless of who the violator may be.

If the department can serve you further in this or any other matter only command believe me. Yours very truly,

MAT S. COHEN,

Commissioner of Agriculture

TO THE PUBLIC

As the money collected on dogs, goes now to the sheep fund (the old law being repealed) it is very important that, every one owning dogs please call at the County Clerk's office and take out license on same. Should you know of any persons having dogs, upon which no license has been paid, and you wish to collect something for the sheep that have been killed, it is your duty as a citizen to report the same to the Sheriff, for if these license are not collected, there will be no fund from which sheep claims are to be paid.

J. J. OWENS, Clerk.

"WOMEN'S PART AT THE INTERNATIONAL"

Co-operating with the United States Food Administration, the directors of the International Live Stock Exposition will stage a demonstration of "Home Economics" at this year's event in Chicago, the first week of December.

All meats are expensive and never before has such necessity for economy by skillful preparation been necessary to conserve the diminishing supply, especially when Europe is calling for part of our relative abundance.

American housewives can best alleviate the needs of our fellow beings across the Atlantic by improved methods of cooking and this demonstration will aim at conservation by teaching how to make the cheaper cuts of beef, pork and mutton as palatable and nutritious as high-priced roasts and steaks. By such conservation, the cost of living may be materially reduced without imposing inconvenience or hardship. "Better meals at less cost" is a problem squarely up to those who prepare the food of America. It is merely a matter of knowing how, and at these demonstrations "She who runs 'way read."

While your husbands are solving the problem of economical production, you may acquire the art of economical preparation and use, which is of equal importance.

The Home Economics School is a feature of the "International" that promises to enlarge its scope provided the women profit by the opportunity.

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic.

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, indigestion, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

HIDDEN DANGERS

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

DANGER SIGNAL NO. 1 comes from the kidney secretions. They will warn you when the kidneys are weak. Well kidneys excrete a clear, amber fluid. Weak kidneys send out a thin, pale and foamy, a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL NO. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, suggest weak kidneys and warn you of the danger of dropsy, gravel and Bright's disease. In that case Doan's Kidney Pills have been endorsed by thousands. Here is a statement of a nearby resident:

Jas. M. Newton, Gum, St., Aberdeen, Ohio, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Doan's Kidney Pills, which I get at Wood & Son's Drug Store. They have always relieved me in a short time."

The above is not an isolated case. Mr. Newton is only one of many in this vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Newton had. 60c all stores.
